S+H PRESIDENT SARAH LAWSON TO PARTICIPATE IN 'WOMEN AT THE TOP' SPEAKER SERIES

Series Sponsored by Design New England Will Kick Off During Boston Design Week

S+H Construction of Cambridge, Massachusetts, one of the greater Boston area's premier residential renovation and custom home building companies, is pleased to announce that President and Owner Sarah Lawson will be a panelist at the first "Women at the Top" speaker series, an event focusing on women-led businesses in the design and building industry. Sponsored by *Design New England Magazine*, the first panel of the series will take place as part of **Boston Design Week** on Tuesday, April 4th from 4-6 pm at **Scavolini Boston**, Suite 634 in the Boston Design Center (1 Center Place).

The event, entitled "How I Got Here," will highlight women who lead some of New England's premier design and construction companies. The panel will take a candid look at the challenges of leading a business in a male-dominated field, applying experiences and skills from other disciplines to crisis and team management, and setting and achieving personal and professional goals. In addition to Sarah Lawson, other panelists include: Lucy Dearborn, President of **lucia lighting & design**, Gail O'Rourke, Founder and President of **White Wood Kitchens** and Alisha Serras, President of **Scavolini** Boston, Detroit and Washington D.C.

"I am honored to have been asked to participate in this panel," states Sarah. "The series shines a light on women in power in our industry, which is often a rarity. I am looking forward to sharing my own experiences working in the construction business and hope to inspire other women."

Boston Design Week seeks to increase awareness and appreciation of all aspects of design. It encourages the public to explore how design is instrumental in everyday life and introduces them to a wide array of industries and organizations. From March 29th to April 9th, the 12-day citywide celebration will offer more than 80 events, all open to the public.

'How I Got Here' takes place on April 4th from 4-6 pm at **Scavolini Boston**, Suite 634 in the Boston Design Center (1 Center Place) and is free and open to the public. To RSVP, click [HERE](#).
