S+H Construction of Cambridge, Massachusetts, one of the Greater Boston area’s premier residential renovation and custom home building companies, is pleased to announce that Rob Russo has joined the firm as Business Director.

In this role, Rob will be responsible for the customer experience, from the time they contact S+H, to the moment work starts on their project. He has an MBA from Babson College, and 15 years of experience in the construction industry. This includes work as a carpenter, job superintendent, and five years at S+H as a project manager. Additionally, Rob held positions as a project manager for one of Boston’s leading commercial construction firms and, more recently, headed the service and small projects division for an area luxury homebuilder.

“We are thrilled to have Rob back on the team,” said Sarah Lawson, president of S+H. “He has already proven himself as a resourceful project manager, and we can’t wait to see him excel in his new position as Business Director.”
