S+H CONSTRUCTION NAMED BEST OF BOSTON HOME 2012 **- Honored as Best Builder -**

S+H Construction, Inc. of Cambridge, Massachusetts, one of the greater Boston area's premier residential renovation and custom home building companies, is pleased to be named "Best Builder" 2012 by *Best of Boston HOME Magazine*. This achievement marks the fifth "Best of" honor for S+H, having been recognized in 2011 as "Best Transitional Contractor", 2010 as "Best Classic Contractor", 2008 as "Best Kitchen Remodeler", and most notably, in 2007 as the first home industry recipient of the "Best of Boston" for "Best General Contractor".

Boston HOME, the sister publication of the venerable *Boston Magazine*, publishes the home industry's "best of" annually in their winter issue, recognizing companies they see as exceptional in their respective field. This year, the magazine selected winners by showcasing various rooms, pointing out that in many situations, people are more likely to tackle one room at a time for a makeover rather than undertaking a whole house project.

S+H Construction was chosen as "Best Builder" in the kitchen category. Among other praise, *Boston HOME* noted that S+H has a knack for smaller-scale projects as well as remodels and attention to accuracy and detail in their historic restorations.

"We are honored to again be recognized by *Boston HOME*," states Doug Hanna, co-president of **S+H Construction**. "Every project that we work on is held to the highest standards and receives the sharpest attention to quality, detail, and value. Our team is dedicated, hard-working and we are very proud to be acknowledged for our work."

A multi-award winning firm, S+H Construction collaborates with architects and other design professionals to offer residential renovations, custom building, historic restorations, energy conservation, renewable energy, site work and landscaping solutions.
