Boston Home Breakfast: Winter 2019

On Wednesday, December 5, *Boston Home* invited industry insiders to the recently renovated Splash Kitchen & Bath showroom in Newton to celebrate the launch of the Winter 2019 *Boston Home* issue. Attendees enjoyed delicious bites from Bakers' Best Catering while the *Boston Home* team revealed highlights from the new issue. Sarah Lawson of S+H Construction welcomed guests and Jessica Schwartz and Ryan Stanton of Stanton Schwartz Design shared a behind the scenes look at their stunning North End renovation project overlooking Boston Harbor. Guests supported non-profit partner Rebuilding Together Boston through generous donations and Stilisti Salon shared tips on how to simplify your morning beauty routine. Splash provided all guests with an exclusive gift bag which included items from Stilisti Salon, S+H construction, and more.
