**S+H Construction Honored by the Builders and Remodelers Association of Greater Boston at the 2018 PRISM Awards**

**S+H Construction**, one of the greater Boston area's premier residential renovation and custom home building companies, is pleased to be the recipient of a 2018 Silver **PRISM Award** in the "Best Kitchen Remodel over \$200,000 Project" category.

Presented by the Builders Association of Greater Boston, the PRISM (Prestigious Results in Sales and Marketing) Awards recognize the accomplishments of professionals who influence the present and shape the future of building and design. The largest industry competition in this region recognizes achievements in building and design and is open to builders, developers, project owners, architects, land planners, marketing/advertising firms, interior design firms, remodelers, and other professionals in the home building industry.

S+H Construction was recognized for their work on a full kitchen renovation project in Lincoln, MA. The project was designed by Ingrid Nunez of Create.Design.

"We are honored to be recognized by the Builders and Remodelers Association of Greater Boston," states Sarah Lawson, owner/president of S+H Construction. "Every project requires clear communication and collaboration to be successful. I am proud of our team who, along with Ingrid, produced a stunning project that exceeded our client's expectations."

**S+H Construction**, one of the greater Boston area's premier residential renovation and custom home building companies, collaborates with architects and other design professionals to offer residential renovations, custom building, historic restorations, site work and landscaping solutions. Celebrating 40 years in business, S+H provides a dedicated team who share a commitment to customer satisfaction. In addition to being a multi-award winning firm - including seven (7) "Best of Boston" awards - their work is consistently seen in both regional and national home and design publications.

**S+H Construction** is located at 26 New Street in Cambridge, MA. For more information, please call
