**FOR IMMEDIATE RELEASE, please...**  
**November 15, 2013**

**S+H Construction Honored by the Builders and Remodelers Association of Greater Boston at the  
2013 PRISM Awards**

**S+H Construction**, one of the greater Boston area's premier residential renovation and custom home building companies, is pleased to be the recipient of two 2013 **PRISM Awards**: A *Silver* award in the "Best Bathroom Renovation" category, and, together with their Marketing/PR consultants, **JDCommunications**, a *Gold* award for their newly designed website.

The PRISM (Prestigious Results in Sales and Marketing) Awards recognize the accomplishments of professionals who influence the present and shape the future of building and design. The biennial competition – the largest industry competition in this region - is open to builders, developers, project owners, architects, land planners, marketing/advertising firms, interior design firms, remodelers, and other professionals in the home building industry to recognize achievements in building and design. The 2013 Awards Gala - held October 30<sup>th</sup> at the Seaport Hotel, Boston – celebrated the winners while also raising funds for Housing Families, Inc.

The *Silver* award received by S+H recognized the exceptional work on an antiqued bathroom renovation. Initially designed in 1950, the bathroom was in dire need of updating. In collaboration with Zero Energy Design, the S+H team opened up the space and created a new layout, adding custom-made cabinets, a sleek, deep soaking tub, new tile, new counter space and cut glass window art to brighten the room. Remaining true to the room's utilitarian modern heritage, the project resulted in a modern oasis for the homeowner.

The *Gold* award, in the category of "BEST WEBSITE" was awarded to S+H's marketing and public relations consulting firm, *JDCommunications*, who collaborated with S+H Construction on a total redesign of their firm's website.

For several decades the BRAGB has been hosting the PRISM Awards in Greater Boston. The program honors the finest builders, developers, remodelers, architects, land planners, marketers, advertising executives, interior designers, merchandisers, and other professionals in the industry.

**S+H Construction**, one of the greater Boston area's premier residential renovation and custom home building companies, collaborates with architects and other design professionals to offer residential renovations, custom building, historic restorations, energy conservation, renewable energy, site work and landscaping solutions. Serving the Greater Boston area for over 30 years, S+H provides a dedicated team who share a commitment to customer satisfaction. In addition to being a multi-award winning firm - honored as the "Remodeler of the Year, 2013" and the recipient of five "Best of Boston" awards - their work is also consistently seen in both regional and national home and design publications.

**S+H Construction** is located at 26 New Street in Cambridge, MA.
